## **The Best Compliments To Me!**

### **A From My Son Fahad**

**Hi Pa,**

**I wrote an article about my idols here at Nawras Telecoms Newsletter**

( It's a two month newsletter) here's what I wrote about you.

**M.S. (Always lands on his feet)**

No matter how many times this man falls, he always seems to land on his feet. Every time he falls, he comes up even stronger, and once he gets up, the whole world knows about it. I remember when I was a kid, my dad had a small [party for his early retirement, and I heard a conversation between two big shots at PDO. One said , “Do you think he ‘ll be back?’.

The other replied, “Well no matter how many times we punch him, he gets stronger and stronger”. I loved that moment

### **B From My Oman FM Radio Interview**

**(Monday June 12<sup>th</sup> 2007 & Repeat Friday June 15<sup>th</sup> 2007)**

**Judith Razak (JR)** - Yes ... yes .. absolutely...Majid .. who has the greatest influence in your life than anybody else?

**Majid Al Suleimany (MS)** - I think it is my Father more than anybody else because my Father was straight forward. He made a lot of friends and he also made a lot of enemies too. Because if somebody upset him ... he never went about a long way to tell him so.

My Father sometimes when we invite guests to our house ... he is dead now ... so Father ... Father please Father ... please put the brakes on! He would say ... the food is for you .. eat it ... I am not going to tell you more than once ... you are the guests ... the food is for you ... eat it. I tell Father ... you do not have to tell them these things ... you know he is straight forward.

And he has been telling us ... that you should not be afraid ... tell the truth even if it may cost you ... you must do the same thing ... but please do not go for lies.

**My Reply and Forward To The Observer Team.**

**Dear Majid,**

It is interesting to read you in The Observer. I am one of your readers. I am trying to be one of Oman writers like you to serve our beloved country.

I liked very much when i heard you in FM Radio few weeks ago, telling us your activities and how you became a great writer.

I am also trying to see myself in the newspaper and my focus is on the management issues. But i don't know how to get there.

I would like you to go through one of my articles and help me out how it can get published in observer. It would really be a great support.

Many thanks and best of luck

## **D From My Late Father PBUH**

Out of all My Children, M is the one who is closest to the person that I am in personal character and behaviours. (Asked to further elaborate, he refused to say anything more lest to upset his children any further!)

## **E From My Late Mother PBUH**

- ❖ If M were ever rich and famous, all this family - including his brothers and sisters and their families - would definitely benefit personally from him!
- ❖ He was the only one hardly beaten by his Father – all others were – even the girls!
- ❖ M is like his Father – in that he spends lavishly and with no borders to his own family – and his heart is gold in giving too!

## **F From My Sister**

**My Big Brother M is a Great Person with a Big Heart of Gold!**
